

FDL Communications – Aaniin

47 CFR §54.422(a)(2) – Voice Telephony Service Plan Information

Study Area Code (SAC): 365412

This information applies to standalone voice telephony (VoIP landline) service offered to Lifeline subscribers and reflects rates and terms specific to voice-only service.

FDL Communications – Aaniin offers one voice telephony service plan to Lifeline subscribers. This plan is generally available to all subscribers within the Company’s designated service area whose locations have access to the Company’s wired network facilities.

The Company provides fixed, facilities-based VoIP landline voice service over wired connections to wired locations.

Plan Details

- **Minutes Included:**
Unlimited local and long-distance calling
- **Toll Charges:**
No additional charges for toll calls

Monthly Rates

- **Standard Monthly Rate:** \$31.95
- **Lifeline Rate (Non-Tribal):** \$22.70
(after application of the \$9.25 federal Lifeline support)
- **Lifeline Rate (Eligible Tribal Subscribers):**
As low as **\$6.70**, depending on eligibility for additional Tribal Lifeline support (up to \$25.00)

Installation Charges

- **Standard Installation Fee:** \$99.95 (before taxes)
- **Tribal Lands Adjustment:**
Eligible Lifeline subscribers residing on qualifying Tribal lands may qualify for Link

Up support, which can fully offset the installation fee, resulting in a \$0 installation charge when applicable.
